Working Experience Certificate

This is to certify that **Mr. Sishir Gautam** was employed at Synthbit Group Pvt. Ltd. as a **Python Developer** from **January 01, 2025** to **December 10, 2025**.

During his tenure, he actively contributed to various technical projects and organizational operations. His key responsibilities included:

- Designing, developing, and maintaining Python-based applications
- Writing clean, efficient, and well-documented Python code
- Assisting in debugging, testing, and optimizing existing systems
- Supporting backend logic and system integrations
- Collaborating with team members on software development tasks
- Maintaining technical documentation and ensuring smooth day-to-day development operations

Throughout his time with the organization, he demonstrated strong technical skills, professionalism, and a continuous eagerness to learn and adapt to new technologies. His performance was found to be satisfactory and reliable.

This certificate is issued upon his request for professional and career-related purposes.

Sincerely,
Amrit Khanal
Chief Operating Officer
Synthbit Group Pvt. Ltd.
